Corombia, April 17.—In discussing last night was the first time that it the matter of the wranger with the had been opened to the public. We are department over the proposed great prigram had been arranged for disstoring out of some companies of the night, the chief contine of the State militial Governor Blease made the following statement:

Composed training voices: This had attracted pourle from all paths of the military and the following statement:

R seeing to mit, and I feel that I attracted pourle from all paths of the minediate section and the house was immediate section and the house was crowded to the way or house

The balleony Which fell was a hange ing affair, being supported by chains, and owing to the large crowd thereon, over 190 of the young lairy students of the Woman's College fieling seated there, it could not stand the strain and the chains parted, throwing some of the people from the ballony some 20 or 30 feet to the front. Strange to say none of the injured were seated in the battony had those who were hurt were strikel by the flying timbers and buried mider the mass of humanity. The following is a list of those injured:
W. F. Vermillion, a well known young business man of Donalds, in-

ternally injured serious, carried to the Due West infirmary.

Miss Rosa Keyes of Donalds, Mr. Vormillion's companion, slightly in-

W. T. Dickson of Yorkville, student at Erekine College, not seriously in-

Ernest Newton, of Yorkville, studest at Erskine College, bruised and slightly cut.

J. L. Pressly, a member of the Erskine College faculty, not seriously dice, to help another by ignoring me, injured.

J. L. Pressly, a member of the Erskine College faculty, not seriously dice, to help another by ignoring me, will prove of no benefit to that crowd.

Mr. Vermillion who was the most scriously injured is about 35 years of age.

of age.

According to the Starmation it was possible to except even the telephone test regist; the occasion was being celebrated with the presentation of "Queen Eather" and a great crowd through it was impossible in obtain any estimate of what the damage done would amount to.

It is well that the Woman's College authorities in mediately communicated with Hook & Rodgers, Convicting architects fast offer the affair Rapponed appraising them of the defective work. Hook & Rodgers were the architects for the new building.

At midegible last night, information from Due West and that Mr. Vermil-

intil Mr. Garrison assures his that he did not intend to be discourteous to his Gaverner of South Carolina, the commander of her State Militis. If the secretary of War had taken this the secretary of war had taken the matter up with the officially and properly, there would never have been any bitch, nor would there have been any reason for this controversy, but his

Due West said that Mr. Vermilthat physicians tad not completed their examinations rufficiently to state whether or not he would recover.

FROM COUNTY TO

John J. McMahan Makes An Argument In Answer to the Agitation Started By The Charles ton News and Courier

Editor The Intelligencer: I this State was a model. It was 20 to I must express hy strong disap-proval of the suggested discontinuance tem in the States of the West and the proval of the suggested discontinuance of the county to county campaign with the proposal are liarking back to their old irreconcilable opposition to the primary all stable population and consequently litself and their preference for the convention system. They are reaction to define the proposition of harmony with the proaries, out of harmony with the pro-gressive thought of the times.

If you believe in the primary, you way of giving the candidates an oppeople an opportunity to see the men from whom they are to choose their officers.

It sounds very well to say, "Let every candidate make his own campaign schedule." But the people have something else to do besides attend meet ings, and with a dozen or more candidates for Governor and United States Senator, to say nothing of the candi-dates for other offices involving great Boston 5 to 3. Marshall pitched in fine form and was given excellent support. Magee kept up his hard hitting and made two doubles and a single in four times at bat.

Score—

Boston 5 to 3. Marshall pitched in fisues, such as education, taxation, law enforcement, rallrokal regulation, agricultural promotion and pure feed protection, a score or more of separate meetings will be necessary in each country if every candidate with views Philadelphia 101 003 002—5 to present, is to have a chance to say and to contribute to the thought of

The official schedule of meetings to ometal schedule of meetings berves the purpose of economizing the trac of the people; in hearing the candidates and of assuring to the numblest and most unknown candidate a large sufferce such in he alone would be powertess to draw. The people of each county, in the remotat section, are given ample notice of when and where to assemble and devote one day or two or more days to inversity. or two or more days, to informing themselves on public men and measures.

Uninformed men who might be attracted only by one candidate may unexpectedly hear words of truth from others that will rid them o perverted opinion and bring them into the free-dom of a clearer understanding. Dis-cussion is the only antidote to preju-

The primary system as organized in Columbia, April 15.

congested population. Formerly nearly all our voters lived where they If you believe in the primary, you were born and were intimately known must believe in the county to county to one another. Now, ciffes, towns and campaign meetings. There is no other villages have multiplied, and there is no longer the old time personal acquaintance as a check on false impersonation or other mode of fraudulent voting. There is now need for strict rules for listing the voters and making sure that they are actual residents. These rules we lack entirely.

The newer systems of the West and North are adapted to these modern conditions, and are backed and butiressed by the authority of the state law. What is now in the great me.

law. What is now in the great ma-jority of the states a much admired new system, with most improved and up-to-date methods of efficiency is with us an old system that has seen its best days and has entered upon its period of decay, whic hmeans that it will rot and die unless rescued and reconstructed on modern lines.

The call to us is to reform the pri-

mary—to safeguard it—to make it an unerring instrument for ascertaining the will of the people of South Car-olina. Let no friend of primary reform be led into the stupendous error of trying to stiffe popula rihought by shutting off discussion before the peo-

It is unfortunately too true that the campaign meetings are not as enlight-ening and as elevating as they should ening and as clevating as they should be. That is the fault of the candidates—it is a fault that can be cured only by its own exposure in public. The time will come when the people will be disgusted with the mane stuff that passes for public discussion on the stump in South Carolina. Then the people will demand instead of it, not the suppression of discussion and the abolition of campaign meetings, but
